NEWARK, N. J.

Form of Government

Mayor-Council.

Population

United States Census (1960), 405,200.

Area

23.57 sq. miles.

Altitude

Sea Level to 256 feet.

Parks

The City has 41 parks with 38.84 acres and in addition 7 county parks with 749.198 acres in Newark. All recreational facilities are provided in Essex County Parks.

Net Valuation

Taxable (1964), $1,522,873,964.

Tax Rate

(1964), $6.60.

Financial

Two trust companies; three national and two savings institutions with a total deposit (December 31, 1963), $2,191,622,024 and resources of $2,473,747,226 and clearings for (1963) $4,749,153,277. The savings banks represent $695,501,346 of total deposits with 378,840 accounts.

Post Office Receipts

(1963), $16,992,176.

Telephones

221,000 (1963).

Church Buildings and Congregations

315, all denominations.

Newspapers

Two daily, two Sunday, and many weeklys.

Building Construction

The estimated value of building permits in 1963 was $14,459,430.

Total Retail Sales

(1963), $751,160,000.

Hotels

39 within the City.

Railroads

The City is served by four trunk line railroads.

Port Newark

Port Newark, operated by The Port of New York Authority since 1948 under a 50-year lease with the City of Newark, offers some of the most modern marine facilities in the New Jersey-New York Port. The 675-acre seaport is adjacent to the New Jersey Turnpike and Newark Airport in the heart of New Jersey industry. In 1963, Port Newark handled nearly 1,500 vessels and 4,000,000 tons of cargo. During the year, 4,100 people earned $23,000,000. To date the Port Authority has invested over $80,000,000 in providing new vessel berths, efficient distribution buildings, and

vast upland space to help speed the flow of domestic and international commerce. Today, Port Newark has 31 deep-water berths, 30 miles of railroad track, 20 cargo distribution buildings, 18 new or rehabilitated cargo terminal buildings, a 15-acre lumber terminal, and about 100 acres of paved upland area. When development of the seaport is completed, there will be 38 berths and 170 acres of paved upland area. The marine terminal then will be able to handle 6,000,000 tons of cargo a year. Completion of the Port Newark development will increase the Port Authority's investment in the seaport to $125,000,000.

Newark Airport

Served by twelve domestic airlines, Newark Airport in 1963 handled 4,101,792 passengers, 72,095 tons of air cargo and 11,164 tons of air mail. A total of 182,159 aircraft movements was recorded. Air service is provided to 116 cities in the United States, Canada and Bermuda.

The 2,300-acre airport, operated by The Port of New York Authority since 1948 under a lease with the City of Newark, is located on the west side of the New Jersey Turnpike at Exit 14. It is only 20 minutes travel time from midtown Manhattan by car, and eight minutes by helicopter.

To date, the Port Authority has invested over $43,300,000 in improvements at Newark Airport. They include a 7,000-foot Instrument Runway 4-22, an $8,500,000 Terminal Building, a 150-foot Control Tower, a $3,400,000 four-building Air Cargo Center, a two-bay hangar and various service buildings.

In 1963, the airport provided jobs for 4,420 people who earned $35,000,000.

Hospitals

City has 10 hospitals, including one municipal and one Veterans Administration Hospital.

Educational

The Newark Board of Education operates 75 public day schools with an enrollment of 75,000 pupils and employs 3,288 teachers. There are 8 senior high schools, 6 junior high schools, 50 elementary schools and 11 schools for the education of the handicapped. In addition, the public school system operates an accredited evening high school, employing 50 teachers; The Newark Public School of Fine and Industrial Art, employing 89 instructors; 7 Americanization classes with 29 teachers; 3 secondary summer schools, 12 elementary summer schools, 2 summer schools for handicapped pupils, employing a total of 392 teachers. The Board of Education also conducts an after-school community recreation program employing 87 teachers. The school budget for the 1963-64 school year is $37,986,974.

There are 35 parochial schools, 4 private schools and 3 colleges.

Public Library

The Newark Public Library has a Main Building, a Business Library, eight branches, two sub-branches and one bookmobile to serve the city. Its book collection is 900,000 volumes; it has 1,000,000 items in its picture collection; 700,000 phonograph records; many pamphlets and maps. It is a depository library for U. S. Government documents. It has specialized divisions for Science and Technology, Social Science and Labor, Art and Music, Education and local history and government.

City Statistics

Street mileage, 386; Daily water consumption, 108,000,000 gallons.

Fire Department employs 1,065 men with 41 engine and other companies, and 2 fire boats.

The Police Department with its 1,637 employees is one of the nation's finest, it has emergency squads, radio station, detective bureau, missing persons bureau, police academy, laboratories and a mounted squad.

History

NEWARK (City), Inc. February 29, 1836. Population, 1960, 405,220. Elevation, 3-256 ft. Area, 23.57 sq. miles; 15,085 acres. Net valuation, $1,522,873,964. Fire insurance rating AA; protection fully paid dept.

Newark was founded in May, 1666, by 63 settlers. Originally called Peaqyak Towne, later New Milford and finally named Newark, by the early part of the eighteenth century the population had risen to 500 and England's Queen Anne granted a charter of incorporation under which Newark was constituted a body politic and corporate in law. In 1836, Newark became a city.

Early leading citizens include Robert Treat who purchased the land from the Indians and Aaron Burr who became Reverend of Old First Church in 1737 and who was instrumental in locating in Newark the College of New Jersey which eventually moved to Princeton to become Princeton College. His son Aaron Burr, Jr., (later Vice President of the United States) was born in Newark. Peter Ballantine, a Scotchman, founded the city's first large scale brewery in 1840. Seth Boyden in 1818 produced the first patent leather in U. S., successfully manufactured malleable iron in 1836 and in the 1830's built locomotives and steam machinery, and later perfected the Hilton strawberry. John Wesley Hyatt invented celluloid in 1870 and Dr. Edward Weston was a pioneer in electrical instruments in the 1870's.

John F. Dryden founded the Prudential Insurance Co. in 1875, some 30 years after Mutual Benefit began without even the $300 to pay for its charter.

In southeastern part of the county, bounded north by Belleville and East Orange, east by Passaic River, south by Union County, and west by Irvington and East Orange. It is eight miles from New York City on main highways. Newark, the foremost city of the state, is an important industrial center and Atlantic seaport, offering water and rail service between the hinterlands, the city and American and foreign ports. Lighterage service is available from docks on Newark Bay, the Passaic and Hackensack Rivers. An extensive net work of roads and highways, including the New Jersey Turnpike and the Garden State Parkway make it the hub of communications in Northern New Jersey. In addition, Newark has one of the most modern airports and seaports in the United States.

The park system (249.2 acres) includes many parks, the majority of which are situated in the mountain section, west of the city. However, within the city is located Military Park, Washington Park, Branch Brook Park, and Weequahic Park. Adorning the parks are various monuments, among which is an equestrian statue of George Washington in Washington Park, the War Memorial statue in Military Park, and the famous seated statue of Abraham Lincoln on Essex County Court House Plaza. There is a nationally renowned library with eight branches and a modern museum. There are Young Men's and Women's Christian and Hebrew Associations, Boys' Clubs and numerous other recreational facilities.

Not only is Newark the leading retail center in the state of New Jersey, with many large department stores catering to and serving the Northern New Jersey area, it is an important industrial, financial and insurance center. In addition to its many banks, there are numerous building and loan associations and a number of large insurance firms have their home office in the city. The major industries are jewelry, tools, chemicals, electronics, paints, varnishes, gold, silver, platinum, malt beverages, liquors, leather goods, cosmetics, paper boxes, dressed furs, and clothing manufacturers, in addition to a number of meat packing firms.

PORT FACILITIES

Port Newark is operated by The Port of New York Authority. Since 1948, the bi-state agency has invested more than $80,000,000 on the development of modern and efficient marine facilities at the 675 acre seaport. At Port Newark, there are 31 vessel berths, 30 miles of railroad track, 20 cargo distribution buildings, 18 new or rehabilitated cargo terminal buildings, a 15-acre lumber terminal, a bulk wine terminal, a banana handling terminal, and 100 acres of paved upland area. The seaport handles some 1,500 vessels and 4,000,000 tons of cargo a year. It provides jobs for over 4,000 people with an annual payroll of $23,000,000.

When the development of Port Newark is completed, there will be 38 berths and 170 acres of paved upland area. Port Newark then will be able to handle 6,000,000 tons of cargo a year. Completion of the seaport's development will increase the Port Authority's investment in the seaport to $125,000,000.

Port Newark, with its round-the-world steamship services and its proximity to railroads, express highways, and the vast markets of the metropolitan area, is a major distribution point for import cargoes, as well as a leading center for export trade. This modern marine terminal is the nation's premier port of entry for foreign cars, and the East Coast's leading lumber port. Its imports range from frozen meats from Australia to mineral ores from Africa. Its exports include chemical and electrical machinery, automobiles, paints, furniture and food products.

RAILROADS

Four great trunk line railroads serve Newark with excellent freight and passenger facilities — the Pennsylvania, Erie-Lackawanna, Lehigh Valley, and Jersey Central Lines. The B & O has its freight terminus at Elizabethport close by. Newark has 30 freight yards and 750 tracks and a car capacity of 19,500.

Passenger service is furnished by the roads mentioned above, but in addition there is service over the Pennsylvania tracks by the Southern Seaboard, Atlantic Coast Line, Louisville and Nashville and Chesapeake and Ohio to points South and the New Haven into New England.

NEWARK AIRPORT

Newark Airport, one of the nation's pioneer air terminals, was opened on October 1, 1928. It became the New Jersey-New York Metropolitan Area air mail terminus the following year, and scheduled passenger service was offered by four airlines. By 1930, it was the busiest airport in the nation.

Newark Airport was leased by The Port of New York Authority in 1948 from the City of Newark. Since that time, the Port Authority has invested more than $43,300,000 on improvements. These include the $8,500,000 Passenger Terminal, Instrument Runway 4-22, the 150-foot Control Tower, the four-building Air Cargo Center, and several hangars and service buildings.

The Port Authority now has a redevelopment project under way to increase the operating capacity of Newark Airport by 50 per cent. The redevelopment includes modification and extension of Instrument Runway 4-22, construction of a new runway parallel to Runway 4-22, a great new passenger terminal two and a half times the size of the present terminal, additional hangars and cargo handling facilities, and a permanent fuel storage system. The present terminal will be converted to a three-bay jet hangar, as originally planned.

The airport is served by twelve airlines with service to 116 cities in the United States, Canada and Bermuda. The carriers are:

- Allegheny Airlines
- American Airlines
- Braniff Airways
- Delta Air Lines
- Eastern Air Lines
- The Flying Tiger Line (cargo)
- Mohawk Airlines
- National Airlines
- New York Airways (helicopter)
- Northwest Orient Airlines
- Trans World Airlines
- United Air Lines

In 1963, Newark Airport handled over 4,100,000 passengers, 72,000 tons of air cargo and 11,100 tons of air mail in 182,000 aircraft movements. Employment was provided for 4,420 people who earned $35,000,000 during the year.

NEWARK'S proximity to New York City is shown dramatically in this photograph

NEWARK GOVERNMENTAL DIRECTORY

CITY OFFICERS

MUNICIPAL ELECTION, SECOND TUESDAY IN MAY QUADRENNIALLY

CITY HALL, 920 BROAD STREET

MUNICIPAL ELECTION, SECOND TUESDAY IN MAY
Quadrennially

City Hall, 920 Broad Street.

MUNICIPAL COUNCIL

Councilmen-at-Large—Ralph A. Villani, President; Michael A. Bontempo, John A. Brady, Anthony Guidiano.
Councilman, South Ward—Lee Bernstein.
Councilman, North Ward—Joseph V. Melillo.
Councilman, West Ward—Frank Addonizio.
Councilman, East Ward—Philip E. Gordon.
Councilman, Central Ward—Irvine I. Turner.

OFFICE OF THE CITY CLERK

City Clerk—Harry S. Reichenstein.
Secretary to City Clerk—Elizabeth F. Sweeney.
Chief Analyst—Frank D'Ascensio.
Marriage License Bureau, Department of Elections, City Archives, Municipal Records.

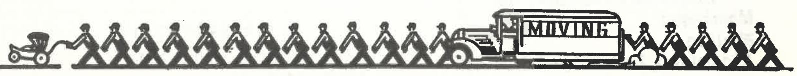
"OF THE PEOPLE SINCE 1873 FOR THE PEOPLE"
A GREAT CITY DIRECTORY ORGANIZATION SERVING
3,651,320 People in the most densely populated area in America
Annually, with a trained organization within these five states, serving one hundred and forty-one communities, each street and building is thoroughly canvassed for new names, changes and verification of prior information, after which by trained investigators, sections are again recanvassed to keep our name takers keyed up to a high degree of accuracy.
Through the process of sorting, compilation and still greater refining for accuracy, each name is handled twelve times as it becomes a part of the five departments when combined and printed into city directories, renders a service unsurpassed for those who know that without knowledge, activities become wasteful, confused and subject to duplication.
The PRICE & LEE COMPANY
Over 75 Years Making Good Directories Better
NEW HAVEN
SPRINGFIELD
HARTFORD
NEWARK



HOW MANY CHANGES IN A YEAR?

Out of every **100** People as listed in the last Directory

16% to **18%** Move away or die

17% to **19%** "New" people move into town or reach listing age.

26% to **29%** More change their addresses or their jobs or some other vital fact that affects their listing.

(All that's left that's good)

Making a total of **59%** to **66%** of the People listed who have new information in some particular which can be surely found only in the **NEW DIRECTORY**

Note: These figures are from repeated checks in numerous cities and do not vary 5% in any one year.

THAT IS WHY NEW DIRECTORIES MUST BE PUBLISHED EVERY YEAR.

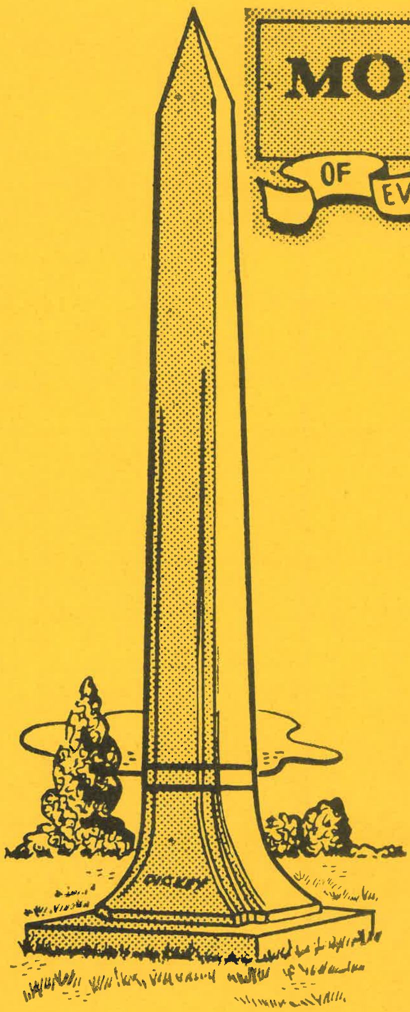
Names Appearing In Black Letters



IN THIS DIRECTORY are the names of those people who ACCOMPLISH THINGS and are entitled to favorable consideration, if for no other reason than their public-spirited support of measures which make for progress. They represent that ENERGY AND PUSH so essential to the commercial prosperity of the City, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.
